Dear Sir:

Pursuant to 37 CFR 1.56, 1.97 and 1.98, the attention of the Patent and Trademark Office is hereby directed to the documents listed on the attached PTO/SB/08. It has come to our attention that an error existed in the previous Information Disclosure Statement, specifically regarding the publication date of the Katz reference. The reference itself only lists the date it was written, not published. Therefore, we submit this Supplemental Information Disclosure Statement and respectfully request that the information be expressly considered during the prosecution of this application, and that the documents be made of record therein and appear among the "References Cited" on any patent to issue therefrom.

This Information Disclosure Statement should be considered, in accordance with 37 C.F.R. 1.97(c)(2), as it is filed after the mailing date of a first Office Action on the merits, but before the mailing date of a final rejection, a notice of allowance, or any other action that closes prosecution, and Applicants have paid the necessary fee as set forth in 1.17(p), presently believed to be \$180.

In accordance with 37 CFR 1.97(g), the filing of this Information Disclosure Statement shall not be construed to mean that a search has been made or that no other material information as defined in 37 CFR 1.56(a) exists. In accordance with 37 CFR 1.97(h), the filing of this Information Disclosure statement shall not be construed to be an admission that any patent, publication or other information referred to therein is "prior art" for this invention unless specifically designated as such.

It is submitted that the Information Disclosure Statement is in compliance with 37 CFR 1.98 and the Examiner is respectfully requested to consider the listed documents.

The Commissioner is authorized to charge any deficiency of up to \$300.00 or credit any excess in this fee to Deposit Account No. 04-0100.
